Newsletter 3 - 2008

Dear Colleagues,

In the future the Secretariat of the World Association for Buiatrics would like to prepare newsletters in order to be able to give up-to-date information's to the members of the Executive Committee of the WAB, the National Associations affiliated to the WAB, the correspondents from different countries not having national associations and the individual colleagues who registered at the www.buiatrics.com/newsletter registration.

By this way we would like to provide information's relating to the World Buiatrics Association to those colleagues who are interested in bovine medicine. If you are interested in getting the newsletter regularly you are kindly requested to register at our website. It is free of charge.

We would like to wish you a merry Christmas and all the best for the coming year.

Walter Baumgartner Ottó Szenci

president of the WAB secretary general

SUBMISSION FORM FOR CANDIDATES

The Gustav Rosenberger Memorial Fund was founded in 1986 to promote the development of bovine medicine worldwide, and to stimulate the related research in its broadest sense. The Fund tries to achieve this objective by awarding a grant to young and promising veterinarians from developing countries. The winner of the award is assumed to spend at least 3 months in an internationally known university of good name and fame to gain experience in clinical work, teaching and/or research activities. The objective is that the candidate returns with the acquired expertise to his or her country of origin. This has resulted in several recent GRMF Award winners staying for a two year period at the Rinderklinik in Hannover.

The board of the Fund selects a winner for the Award every two years, which is presented at the World Buiatrics Conference. The 2010 MIERIAL GRMF Award

will be presented in Chile and consist of around € 10.000,= to be spent for education purposes (as described above) in the period between the WBC conferences in Chile (2010) and Portugal (2012), according to a plan submitted by the candidate. Participation in the conference through an oral or poster presentation by the candidate is stimulated.

Candidates may apply for the 2010 MERIAL GRMF Award before January 1st 2010. Please return the completed form to the GRMF secretary: r.jorritsma@uu.nl

1. CURRICULUM VITAE

1.1. What is your name and address?

write here your name and address

1.2. Please state your age

give your birth date

1.3. What is your education background (250 characters)

give your education background

1.4. Give a description of your working experience (250 characters)

give your working experience

1.5. Which languages do you speak and write (100 characters)

languages spoken and written

1.6. What is your field of interest for research (250 characters)

field of interest

2. PLANS

2.1. Are you able to start your stay within one year after the next World Buiatrics Congress in Chile?

2.2. Provide your education plan: what do you want to do in order to broaden your knowledge e.g. by following courses. (500 characters)

give a description of what you which field you want to broaden your knowledge

2.3. Give a description of your research plans (500 characters)

give a description of what you want to study
